

## **GAP'S INNER CIRCLE**

Through the years, we have had several patrons ask for ways to contribute to our mission of promoting the arts in our community - beyond just buying an ad in our program. To accomplish this, we have established GAP's "Inner Circle". All contributions will be invested into the production, with future plans to purchase theater equipment, and eventually to create a scholarship program for students that participate in our productions and then continue their education at an institute of higher education.

The following are the three tiers for *GAP's Inner Circle*, with required contribution amounts shown for each. This is an **annual subscription** and includes the perks listed below each level **in each year** in which a subscription payment is made (Note: Diamond subscription also includes premiere seating at GAP's annual Christmas performance of *Still the Greatest Story Ever Told...*):
