

THE THEATER COMPANY BUILT ON A DREAM

Dear Friend of The Glyndon Area Players (GAP) Theater Company.

First, I would like to personally thank you for your continued support, over the years, and for joining us for our 28th Summer Season and our Production of *Disney's Frozen*.

For 26 years, we had been a theater-in-residence at Sacred Heart Parish in Glyndon, Maryland. The wonderful partnership with the Sacred Heart Community had allowed us to bring the magic and excellence of live theater to the local community at an affordable price.

Over those many years, we managed to work with, work around, modify, and shift our production schedule to fit into the calendar of a vibrant parish community and school. We are and will forever be thankful for the use of that space and for the amazing staff that has worked with us. Because of construction projects and outgrowing the space, we ventured out to find a new home.

After much praying and conversation, we re-visited our story, our mission – *28 years ago, a group of friends banded together around “theater” to create local history and provide both onstage and backstage opportunities to residents of our local communities. With the intent to perform, we launched our journey with limited experience, big ideas, much heart, and deep passion to deliver with excellence. We created our mission: To showcase local talent and provide a venue for an affordable local theatrical experience. Over time, even though faced with many obstacles, including the pandemic, we endured and have now become one of Maryland’s premier community theater companies.*

As if starting over, our amazing production staff pivoted to find a new home for last year. 5 months later, reaching out to 13 venues, we landed at McDaniel College’s WMC Alumni Hall. It is an amazing theater with old world charm, a balcony, and many of the theater amenities! The McDaniel College Events staff was extremely receptive to hosting “our mission” and we delivered...***a bit too well***. After a successful run and bringing life back to this beautiful, underutilized space, McDaniel decided to invest in refurbishing the theater. For this summer, the space is under construction.

So, we were back on the search. With much leg work, many conversations again, and our network, we will be performing our shows this summer at FSK High School in Uniontown, MD (not too far from Westminster). The staff from FSK High School have also been extremely welcoming and accommodating to our mission.

Your additional support would be greatly appreciated to deliver to our mission and secure our space for an amazing theatrical experience.
