WELCOME FRIENDS OF THE GLYNDON AREA PLAYERS!

FOR THE FIRST TIME IN FOREVER,
experience the musical phenomenon
that has taken the world by storm—
Disney's Frozen: The Broadway Musical!

In the beautiful mountainous kingdom of Arendelle, Princesses Anna and Elsa grow up sheltered inside their castle, isolated from the world and increasingly distant from each other. When Elsa is crowned queen, the magical powers she's desperately tried to conceal from her sister take control, and she flees into the mountains. As a ferocious winter descends on Arendelle, Anna sets off on an epic journey to find Elsa and bring her home – with the help of hardworking ice harvester Kristoff, his loyal reindeer Sven, and a happy-go-lucky snowman named Olaf. Full of magic, humor, and a stunning musical score, *Frozen* is a powerful tale of sisterhood, acceptance, and finding the real meaning of true love.

The Glyndon Area Players —29 years ago, a group of friends banded to create history. With the intent to perform, we launched on our journey with limited experience, big ideas,

much heart, and deep passion to deliver with excellence. Through the years, we have continued delivering to our mission – showcasing local talent.

Today more than ever, we need community, connection, and good will. This show combines all these things for a classic theatrical experience with a true message of determination, family, and self-discovery.

With the partnership of an amazing production staff, hardworking cast, crew, and orchestra, we bring you a production filled with much for the eyes and ears to enjoy. We all have amazing gifts, talents, and dreams. With a little effort, many times you can surprise yourself to see what you can accomplish. Year after year, we do that.

After all, we are The Glyndon Area Players (GAP)—

"The Theater Company Built on a Dream".

JOSIAH NUSBAUM

THANK YOU FOR THE USE OF YOUR
PROPERTY FOR BUILDING OUR AMAZING
SET.

SPECIAL THANKS

To Homero, the creative genius behind GAP, our incredible and talented director, for all that he does – starting with the vision, designing an amazing set, assembling an amazing cast and transforming them into the magical characters of *Frozen*, and continually ensuring a superb production.

To Josiah Nusbaum, our wonderful assistant director, for his enthusiasm in bringing this fun story to our stage. It's easy to see what is on stage, Josiah is a master in making much of the magic that occurs with what is behind the scenes.

To Lori Maccia and Homero Bayarena for the outstanding choreography and movement she designed for all the citizens of Arendelle and the communities outside the gates.

To Michael Parks, our wonderful Technical Director, for once again working with Homero to design this beautiful *FROZEN* set, and then construct it with the help of the cast and crew and family members.

To Katie Angerer for her time and amazing vocal direction in bringing together the talents of many for an amazing and harmonious sound.

To Bo Weaver, for his outstanding musical and orchestral direction for our production. Also, for his time commitment to showing up and being part of the community from the very beginning and throughout the rehearsal process.

To Charles Hirsch, for providing top-notch sound equipment and technology for every production, and making the complexities of a soundboard look easy.

To Jim Shomo, for his unprecedented talent in lighting up our stage and cast members in the most amazing fashion. And to the wonderful assistants who so ably assist Jim in this endeavor.

To our wonderful orchestra, who so beautifully perform the musical accompaniment for our show.

To the staff of Francis Scott Key High School for generously hosting our production this year!

To Hilary Warner and Heidi Eiwen at Francis Scott Key for all of their assistance in setting up our use of space at the High School.

To Century High School for graciously partnering with us to repurpose some of their amazing set pieces.

To Dave Kaiser, founder of the Stagewise Stage Productions app - "The All-In-One Theater Production Platform" - which helped us stay on task and organized!

To Dino Gaetani, for his support and handling of our finances behind the scenes.

To Kari O'Donnell, for preparing the paperwork, selling tickets, coordinating costumes, assisting with the program, and in general, keeping GAP and the production organized.

To Karen Janiga, our wonderful stage manager, for making sure we're all where we need to be when we need to be, and for putting in so much time and taking on any task at set construction.

To the great backstage crew for making sure the set pieces are moved where they should be, and that the cast and props are organized and orderly.

To Bo Weaver for donating the rental of some of the percussion pieces needed for our pit.

To Elaine Bayarena, and the owners and staff of Bistro 91, for providing the incredible meals and beautiful settings for our Arendelle Winter Parties and Arendelle Tea.

To all the volunteers that helped at all of the special events.

To Kelly Kluka and Bistro 91 for hosting several fundraisers on GAP's behalf and for providing us with set-build lunches.

To Elaine Bayarena for coordinating the audition process and the audition staff that helped with that process. There is not enough space for all that Elaine does that falls under "everything else" – how about all the meals and desserts?

SPECIAL THANKS

To Homero and Elaine Bayarena for designing and coordinating costumes.

To Elaine Bayarena for managing concessions and tickets.

To Addy Molony and the whole cast for marketing GAP to the surrounding communities.

To Mary Wilcox and Josiah Nusbaum for coordinating our show playbill. It's thanks to them that we have this wonderful reminder of our show!!

To Tim Reca, Video Accord Productions, for videotaping our performance and providing us with wonderful memories of our summer in Arendelle.

To Kathy and Joe Kluka for their generous donation of storage space for our building materials.

To Josiah Nusbaum, for tackling our storage needs with construction of his barn.

To the House Crew for seating our guests, and making sure our theatre is neat and orderly.

To the families of cast and crew, who have been understanding when their parents, spouses and/or children were at rehearsals or set-builds all summer!

A special blessing to everyone who, through the years, has believed in the mission of this theater company called The Glyndon Area Players. It truly was based "on a dream". After twenty-nine years (minus the two that were dark due to the pandemic), this dream has touched and transformed thousands of lives and given people the realization that we can come together, with all our differences, and make a bigger more positive difference in the world and have fun doing it!

FINALLY, TO ALL THE CAST, CREW, FAMILY AND FRIENDS

who graciously volunteered so much of their time this summer to help construct and decorate the set for our show. They've shared their skills and learned new ones themselves, and learned to construct the frozen wonderland of Arendelle and the surrounding communities all while enjoying the camaraderie of old friends and making new ones. **THANK YOU ALL!**

THE THEATER COMPANY BUILT ON A DREAM

The Glyndon Area Players (“GAP”) – “The Theater Company Built on a Dream”. Founded 28 years ago by a group of friends united by a love of theater, The Glyndon Area Players began with limited experience, boundless enthusiasm, and a shared commitment to creating meaningful opportunities for our community. What started as a dream to showcase local talent and provide affordable, high-quality theater has grown into one of Maryland’s premier community theater organizations.

Today, our mission is to inspire, enrich, and connect our community through exceptional live theater. We are dedicated to providing opportunities for performers, directors, designers, technicians, volunteers, and audiences of all ages to experience the transformative power of the arts. By fostering creativity, collaboration, inclusion, and artistic excellence, we celebrate local talent while making live theater welcoming, accessible, and affordable for everyone.

As we honor our past, we remain committed to creating unforgettable theatrical experiences that entertain, educate, and strengthen the communities we proudly serve for generations to come.
